

WHAT IS CLAIMED IS:

1. A fitting made of Zn-Al die-casting for BBQ grill trolley assembly comprising four connectors with two channels on two larger surfaces of each connector and compressible plastic plates are inserted into each channel.
2. The fitting as claimed in claim 1 wherein a compressible plastic plate insert into each channel to eliminate the clearance between fitting and rectangular stainless steel tubes.
3. The fitting as claimed in claim 1 wherein the shape of connectors can be rectangular, square and round to suit different tubes.
